As compared with these amounts a recurring grant of 630 Rs p.m. from Govt seems to be very high – Although the recurring grant is asked for at present, for only three years, judging from past experience in similar cases, it is not unlikely that it will after the expiry of this period Applications for further extensions will be received and the grant practically converted into one of a permanent character.

Submitted to His Highness.

These papers relate to grants-in-aid to the Kannada Academy or Karnataka Sahitya Parishad at Bangalore, which has been started with the object of - - standardizing and improving kannada literature.

2. The Education Committee of the Economic Conference has recommended a non-recurring equipment grant of Rs.1,000 and a recurring grant of Rs.130 per mensem for three years to the Academy and the printing of the proceedings etc., of the Academy at the Government Press at the cost of the Education Committee.

3. The Financial Secretary has no objection to the grant but considers that the amount of State grant should not exceed the amount of private subscription collected.

4. The Council have resolved to sanction the grants as recommended by the Education Committee, the recurring grant being limited to two years.

5. Many of the leading gentlemen of the State such as the First Member, the Inspector General of Education the Chief Engineer and others outside Mysore interested in Kannada literature are trying to make this academy a body of real influence in the development of Kannada literature and it is therefore not likely to be wanting in popular support. I am therefore in favour of sanctioning the resolution of the Council without the limitation suggested by the Financial Secretary. The charges during the current year will be met by reappropriation in the Department of Education.

6. The resolution of the Council may be approved.

In continuation of this office letter No.161 dated the 31st July 1915 submitting for the information of Government a - proof copy of the report of the Kannada Literary Conference held in May last, I am directed to state that, at the meeting of the Committee held on the 31st ultimo, the proposal of the Provisional Secretary to the Kannada Academy for a recurring and non-recurring grant to the organisation was carefully considered.

It was resolved that a recommendation should be submitted to Government for a monthly grant of Rs100/- for the - maintenance of a staff consisting of a Pandit knowing Sanskrit, Kannada and English, a typist-clerk and two servants and also for a lumpsum grant of Rs600/- for the purchase of a typewriter and necessary articles of furniture, with the modification that the recurring grant being limited to three years in the first instance.

The first meeting of the Executive Committee of the Parishat which was arranged to be held on the 7th instant as

mentioned

mentioned in this office letter referred to above, was held in Bangalore on the 15th instant to give effect to the several resolutions passed at the Kannada Conference.

In forwarding a copy of the resolution passed at the meeting of the Executive Committee, the Provisional Secretary requests that a sum of Rs30 per mensem be sanctioned as rent for a building for the location of the office or that a building be given by Government for the purpose; and he also adds that the non-recurring grant of Rs600/- originally asked for may be kindly raised to Rs1,000/-.

Under these circumstances I am to request you to be so good as to move Government to sanction grants as detailed bellow:-

	Rs.	
(1) Recurring grant for the maintenance of a staff, etc.	100 p.m.	for 3 years.
(2) Recurring grant for house rent in case any Government building is not available.	30 p.m.	
(3) Non-recurring grant for the purchase of a typewriter and articles of furniture.	1,000	

Copies of the resolutions of the meeting of this Committee and of the meeting of the Executive Committee are appended.

In this connection, I am also to request that sanction of Government may be kindly obtained for the printing of the proceedings and other necessary papers of the Academy at the Government Press at the cost of the Education Committee.

Extracts from the proceedings of the 33rd meeting of the Education Committee, Mysore Economic Conference, held in the Public Office Buildings, Bangalore, at 12.20 P.M. on Saturday the 31st July 1915.

Report of the Kannada Literary Conference and the recommendations regarding the grant from Government.

The Secretary stated that the reports of the Conference were circulated to members and that a copy of it was submitted to Government.

The question of the grant asked for by the Provisional Secretary was next discussed, some holding that the organisation was purely a private concern and as such it should be self-supporting; while some others maintained that a small grant might be given for initial expenses. Mr. Basava Iya suggested that a grant equal to half the subscription collected might be sanctioned tentatively for two years. In regard to the purchase of a typewriter asked for, Mr. S.Venkatesiah objected to the purchase of an English machine saying - that he would prefer a machine with Kannada type.

Mr.Shama Rao urged the necessity of employing a small staff to carry on the clerical and other work connected with the Conference. The Chairman also spoke at length on the advisability of helping the organisation with a small grant and said that Government help was absolutely necessary in the beginning and that it would, in no way, defeat the object in view. The question was then put to the vote and the members were all of opinion that a recommendation should be submitted to Government for a monthly grant of Rs.100/- and a lumpsum grant of Rs.600/- for equipment being sanctioned, the recurring grant being limited
